

**University of Pittsburgh**

**Intellectual Property Revocation of Assignment**

**This revocation option is available to graduate students and to Postdoctoral Scholars**

**(please select a status by deletion below)**

I, as a [graduate student/Postdoctoral Scholar] at the University of Pittsburgh executed the Intellectual Property Assignment offered on and after August 1, 2018. By execution of this Revocation of Assignment, I hereby revoke my assignment of such rights to the University.

I understand this revocation is not valid and will be void in the event I have other existing obligations to assign my intellectual property rights to the University in accordance with a filed or required to be filed invention disclosure in accordance with Policy Nos. 11-02-01 and 11-02-02 and/or as required in the terms of sponsored research agreements.
